# DIY Yearbook Page and Postcards

Our DIY Yearbook Templates can be used in a variety of ways and is the perfect format for making those digital memories physical.

## What You Will Need

Hammermill® Paper
(For Postcard Templates, Use Hammermill® Premium Color Copy Cover)
Scissors or Exacto Knife
Highlighter, Pens or Markers for Coloring & Personalization

## How to Share Your DIY Postcards and Pages

### Use as a Postcard
Sometimes you can't beat receiving something in the mail. Use our postcard templates to surprise friends and family with new and past memories.

### Room Wall Collage
Create, print and arrange a series of postcards in your room for everyday. Hang them on your wall or a bulletin board for your own enjoyment all the time.

### Memory Box
Create and keep your postcards as a keepsake in a private memory box or photo album to share only when you want.

### Binder or Photo Album
The yearbook page offers a more traditional memory experience. Keep them in a binder or fun creative memory folder.
