Tips for Holiday Gifts

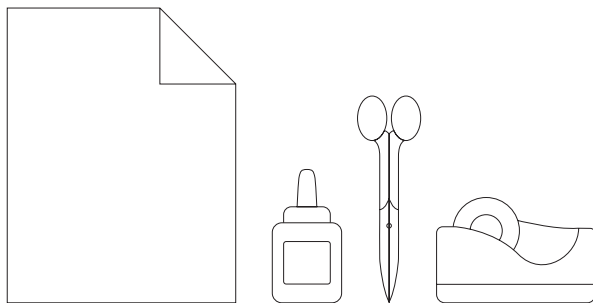

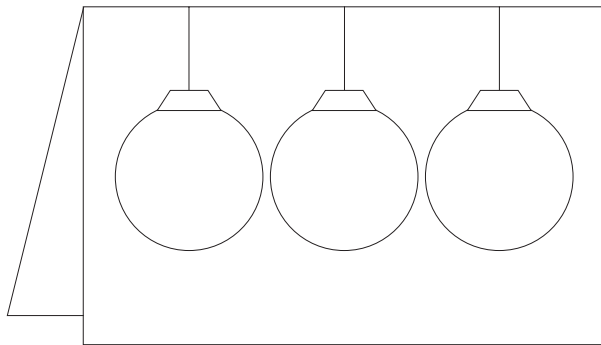

Give your teacher a festive card this holiday season. Have a wrapped gift and need a tag? Print and cut our gift tag template to add some holiday fun to your present. Gift cards are a great gift to give, and we've got a template to help make yours more festive.

Still need some gift ideas for your teacher? Gifts don't have to be expensive to show that you care. Sometimes the most touching gifts are the ones you make yourself. Try a Do-It-Yourself (DIY) project. If all else fails, a gift card is an easy present to give if you are short on time and need something quickly. We've got holiday templates you can use no matter what you decide to give your teacher.
